

What do we provide?

Additional services provided for our teAm members of Lake Bluff, Lake Forest, Knollwood, New Trier, and Zion-Benton Townships. These communities have the opportunity to request and receive some and/or all of the following areas of assistance.

We help:

- bring awareness and importance of this work to the community.
- community individuals/organizations create a vision for the type of place they would like to live, work and play, working with them to develop a plan to succeed.
- plan and deliver events designed to; provide self-assessment and ethical reflection opportunities, learning and practice of social skills, build relationships.
- through consultation, as we work closely with our thought partners, advisory board members, volunteers and advisory council members – all who are subject matter experts in their own right.
- find support of experts in the field.
- find speakers.
- process post event reflection and celebration.
- with possible financial support.
- make connections, build awareness of what others are doing within the community and within the initiative.
- build volunteer groups and leaders for long term sustainability
