

# Feeder School Leadership Institute

10/21-22/08

## Top 9 <sup>1/2</sup> Take-Aways

The very first Leadership Institute provided lots of food for thought:

1. Systemic change is a safe environment with focus on ourselves
2. Having the right language is extremely important
3. Key phrase of the teach, empower **AND** model initiative:  
“planning with intent”
4. Without opportunities for autonomy accountability cannot be developed
5. One’s character is formed by core values & beliefs and is displayed by actions
6. Character continues to develop, it’s not a static process
7. We cannot just think about ourselves but help by helping others
8. The start of the climate change is “us”
9. This needs to be comprehensive, intentional and proactive
- 9<sup>1/2</sup>. **Imagine...**  
accepting that building one’s character is an important and ever-evolving process!
