

The teach, empower AND model Initiative Presents:

½ Day Networking & Skill Building Workshop

Presented By:

CEP Coach - Ed Dunkelblau, Ph.D.

Why Attend?

Topic:

First There Is A Mountain...Exploring Developmental Issues In SECD Programming

Purpose:

As schools continue their commitment in a long term initiative, it can be difficult to proceed with energy, focus or direction. This workshop will help refocus the leadership in doing and sustaining SECD teAm programming.

You Will Learn To:

- Recognize the process for continued development
- Consider the challenges
- Establish an accountability structure
- Problem-solve to increase staff ownership
- Discuss the development of attainable goals given the school environment
- Set reasonable expectations for continued progress
