Character Rich SEL Classrooms

10/23/08

Top 9 1/2 Take-Aways

Working on the infusion of CE & SEL into pre-existing curriculum, these “Aha” moments occurred at our October 23rd workshop:

1. When people have a voice and choice it provides for autonomy and belonging
2. By working with each other you are contributing and being part of the group
3. We are all interconnected
4. It's never too late to develop character
5. Development of a shared vision is huge
6. We all build our character by the decisions that we make
7. Our role as teachers is to provide the tools and **model** the process
8. Guide me, help me learn...**Teach** me, show me what to do
9. The heart is the key to all of this
- 9½. **Imagine...**
realizing that the key to teaching CE & SEL is understanding how it affects each one of us!
