

Good Morning, Everyone -

I hope your day is going well!

As we gear up for next **Tuesday, February 13** we want to share what to expect regarding your role and participation as a **Mentor** in the **DISC: A Tool for Greater Self-Awareness and Impact** workshop.

Tuesday Morning:

- Please sign into Zoom by **7:50AM** (10 minutes prior to the start of the workshop). We want to answer any final questions you may have and make sure you are in the Zoom room first so that you appear on the first screen.
- At the beginning of the program, we will introduce our Mentors as a group and ask you to raise your hand. If you can also say “Hi / Hello” it will bring you to the first screen for all to see.
- During open discussions when Sheri asks for comments from the audience, if there is silence, please chime in to share your thoughts.
- Towards the end of the program, you will meet with your Peer Advisory Group. **Please be prepared to facilitate a 30-minute conversation.** The [program packet](#) includes a suggested agenda. We encourage you to take a short break during this time if your group wants that.
- Post-workshop and before the scheduled **Peer Advisory Group meeting on March 14th**, we will share a discussion plan you can use with your PAG. Stay tuned.

Thank you for helping to strengthen the leaders of today who, in turn, will strengthen the leaders of tomorrow.

We are looking forward to seeing you next week. Have a wonderful weekend!
