

Good morning -

As we gear up for next **Wednesday, April 10**, we want to share what to expect regarding your role and participation as a Mentor in the **Listening with Integrity workshop**.

- Here is the [program packet](#) with the breakout room questions.
- The workshop will be held via [Zoom](#) beginning **promptly at 8:00 AM** ending at **11:00 AM**.
Need to call in? +1312-626-6799,,84823129002# US
(Chicago)
- Please sign into Zoom by **7:50AM** (10 minutes prior to the start of the workshop). We want to answer any final questions you may have, introduce you to our speaker, Marcus Straub, and make sure you are in the Zoom room first so that you appear on the first screen.
- Marcus may ask for **help from the mentors impromptu** during the workshop. During these times, he will provide directions in real-time.
- During any Q&A periods, if there is silence, please chime in to share your thoughts.

During Breakout Room Discussions:

- There will be 2 breakout rooms for this workshop. LA members will need to know the name of their Mentor to join the room. Please feel free to reach out to your group and remind them to select your name for the breakout rooms. If they need help familiarizing themselves with Zoom and choosing the correct breakout rooms, they can watch this [tutorial video](#) starting at the 1-minute time marker.
- We ask that you **lead the discussions** while making sure **everyone in the “room” has a voice**.
- Please help to provide any **suggestions or clarifying information** from your experiences.
- **We will be moving Marcus Straub around the Zoom rooms.** While we may not be able to put him in all the rooms, you may find him in your room at some point.

Post-Workshop PAG Discussion:

- Before the scheduled **Peer Advisory Group discussion** on **April 30th**, we will share a discussion plan you can use with your PAG. Stay tuned.

See you all next week. Have a wonderful weekend!
